**Re: Support for the Proposed Costco Project**

Dear Council President Farina:

On behalf of over 850 Rhode Island Laborers' District Council Union Members who reside in the City of Cranston I am writing to inform you of our support for the proposed Costco project in Cranston.

This project will create numerous construction job opportunities for our members, many of whom are Cranston residents, at a time when there is great uncertainty in our economy. It will also create many post-construction jobs as well as add another \$600,000-\$700,000 to the tax base annually. Accordingly, I urge you to allow this project to proceed.

Thank you for your attention to this matter and if you have any questions, kindly respond at your earliest convenience.

Very truly yours,

Michael F. Sabitoni  
Business Manager
